Old Bolt Gun Match: Our annual Old Bolt Gun Match will be held January 2, 2010. The course of fire will be the usual High Power Course that we fire each month. To be eligible for awards, competitors must fire a military rifle with issue sights and stock. ANY military rifle other than the M1, M14/M1A or AR15 may be used. Those wishing to shoot for practice may fire any rifle. This is not an NRA match and scores will not be forwarded to the NRA.

Brian Booth-Distinguished Expert: 16yr old Pot-Shot member has completed the rigid requirements to become a Distinguished Expert in 4 Position Smallbore Rifle. He began his quest at the age of 13. His determination and strong parental support saw him through the most difficult portion of the program. Congratulations to Brian who now belongs to a unique group of shooters. Sami

Camp Perry Note: Former Pot-Shot Steve Culpepper, now residing in Atlanta, finished 7th overall in the National High Power Championship. There were 450 competitors in this Championship.

TN/AL Mid-Range F-Class Championship: This match was held in Memphis Nov. 7-8 2009. Here are the 9 provisional National Records that were set this weekend by the Blue & Gray Shooters. I will submit them to the NRA and we'll see how they fare. Congrats to Laura Perry, Keith Perry, Danny Biggs and Mason Parker.
