Range Lock Change: By the time you get this, the locks should have been changed. This will be the last bulletin for those that have NOT renewed.

Range Maintenance Coordinator: It is understood that Jerold Bailey is having to deal with some family health problems. Hopefully he will be able resume his excellent job as Range Maintenance Coordinator in a few weeks. TEMPORARILY, David Howard has agreed to act as coordinator.

Spring Work Party: The Range will be closed, except for Pot Shot activities, for a Work Party on April 28th. If you are able to help out, the following tools will be useful: shovel, garden rake, weed eater, hammer and electric drill/screwdrivers.

Membership Clarification: The membership application, that has been in use for years, may be unclear. Membership is not a family membership. Only the person applying for membership is the member. Family members may shoot as a guest of the member when the member is on the range. The on-line membership application form has been modified to, hopefully, minimize confusion.

Want Ads: Wanted: A single shot shotgun 20 or 12 ga. Prefer American manufactured.
