Work Party: We had a successful Work Party on March 16th. Many thanks to all those that helped out.

Range Orientation: Several new members have not yet received Range Orientation. Some of these have been pending since November. If you have not been contacted about orientation, get in touch with James Moses on 256 534 7968.

Range Lock Change: By the time this bulletin reaches you, the lock combinations at the range should have been changed. This will be the **LAST** bulletin for those that have not renewed.

RANGE SAFETY: In discussions with TVA about reworking the Range gate, they mentioned that, due to a recent firearms accident at another range on TVA property, TVA considered closing **ALL** firearms ranges on TVA land. That did not come to pass, but it ought to be a warning to us that **SAFETY** is paramount and **NO** bullets should ever leave the range.
