Actions taken: Due to the large number of members, it was decided to limit **guests** to **2** per trip to the range. The Executive Committee was authorized to impose a dues increase to \$75 for 2014. The Executive Committee was also authorized to set an initiation fee for new members. Amount and beginning time TBD.

Work Party: The Spring Work Party has been **MOVED** to March 16th. The April 27th date will be kept in reserve in case of rain on 3/16. If you are able to help out, the following tools will be useful: shovel, garden rake, weed eater, hammer and electric drill/screwdrivers. Except for the Precision Match, the range will be **CLOSED** for firing.

Range Lock Change: It is planned to change the combination on the range locks in March. Those planning to renew should do so prior to March.

Range Rules: The Club now has over 500 members. It is imperative that the Range Safety Rules be followed. Members are urged to help enforce rules with as much diplomacy as they can muster. Clarification: the No Clay Bird Rule applies to aerial shooting with a shotgun. Clay birds may be set on the Backstops as targets. The dirt protecting the crossties are **NOT** backstops.
