## E-mail List:

The Club is now sending the Bulletin out via e-mail, in addition to hard copy mailings. If you have e-mail and have **not** been getting the test messages or e-mail bulletins, contact David Howard on [news.bgrpc@gmail.com](mailto:news.bgrpc@gmail.com). The current plan is to discontinue hard copy mailings later this year, except for those that don't have e-mail or that request a hard copy. If you wish a hard copy in addition to the e-mail contact Bobby Clarke on 256 217 1232.

## Lead Wipes:

A neighbor of mine is manufacturing and preparing to market Lead wipes. These appear to remove lead from hands better than soap and water. He gave me a few dozen samples. By the time you get this, some of these should be available for trial on the range. James Moses

## Appleseed Shoot:

An "Appleseed" marksmanship training session has been scheduled for the Range for the weekend of August 24/25, 2013. Go to [www.appleseedinfo.org](http://www.appleseedinfo.org) for more information. The Range will be **CLOSED** for other activities for this event. The pre-registration cost online (or via snail-mail) is \$70 for both days, or \$45 for one day (either Saturday or Sunday). If we have openings still available on Saturday morning we will take "walk-ons" at \$80 for the weekend or \$50 for one day until the line is full. Women pay \$10. Youths under 21 years of age pay \$5. Military, National Guard/Reserve and Police shoot free. Two day shooters get a free T-shirt. Firing will begin at 8:30 both days. **NOTE:** The foregoing information is based on LAST year's event. Potential shooters should check the Appleseed website for the latest information.
