Condolences: Condolences to John Lindberg on the death of his 16 year old son, Alex, on January 30th. John wants us all to know that Alex was a happy, smart kid who accidentally killed himself playing "the choking game". The only positive thing John can think of to do with this tragedy is to try to keep it from happening to others. Please talk to your family about this dangerous practice. John can be reached at lindbergjohn@hotmail.com.
