e-mail List: The Club now has the capability to send e-mails to members. This is highly beneficial when the members need notification that the range will be closed for maintenance and up-grades. Some more of these closings are upcoming. If you have **not** been getting the test messages, contact David Howard on range.bgrpc@gmail.com. David set up this system, and deserves our thanks for improving the Club's communications.

Range Capacity: It appears that our membership has gotten pretty close to Range capacity. David Howard and David McAlister are forming a committee to come up with a way to properly address this problem. They plan to discuss this with any interested members at the Range after the May 4th High Power match. Until they come up with a proposal, the Club is TEMPORARILY suspending accepting new memberships.

Small Bore Matches: Members are reminded that the Range is **closed** during the Small Bore Matches.

For Sale: Armalite AR180B, .223 Autoloader w/scope and 1 ten rd magazine. Uses AR15 magazines.
