## President's Hundred

Club member Steve Reed placed 92nd out of 1243 competitors in the Presidents Hundred at the National Matches earlier this year. Steve may be the only Club member to ever win this honor. Let me know if you know of anyone else.

## Land Acquisition

David Howard and I met with the Lawrence Co. Sheriff and Chairman of the County Commission on Oct. 2nd to discuss the possibility of building a range on property the Club might buy near Courtland. While the local officials were supportive, it turns out that there is a Little League Ballpark nearby, but out of sight from the road. It was agreed this might lead to problems with noise and parental concerns. The club will not proceed with the purchase.
