**John C. Garand Match:** The Spring Garand match will be fired on the 5th of April this year. Match conditioned Garands **are** allowed in this match. We will fire 50 rounds on the 200 yard range, 1903's and 1903A3's will fire 40 rounds on the 100 yard line, (this may be fired on the 200 also if time permits), and a Bonus match, 10 rounds of something will be determined later. All rifles must be within CMP rules/regulations. Sign up starts at 0700, first round at 0830, earlier if we have a full relay. All match proceeds will go to a worthy Vet based program.

**Range Lock Change:** The Lock will NOT be changed until the vast majority of the 2014 membership cards go out. That will probably be in late March. In any event, an e-mail notice will go out announcing that the change has been made.

**Smallbore and Pot-Shot Activities:** Members are reminded that the Range is CLOSED to Centerfires during the Pot-Shot sessions and the Smallbore Matches.

**Free to Good Homes:** The CMP is selling empty M1 bandoleers for around \$20 a copy. I have several of these. Some with cardboard inserts, some w/o. I think they are mostly Lake City. One to a customer. I do not make special deliveries.
