Work Party

The Range will be closed for a Work Party on April 4th. If you are able to help out, the following tools will be useful: shovel, garden rake, weed eater, hammer and electric drill/screwdrivers. We will also paint the metal frames on the concrete tables and the metal container behind the 100 yard berm, so ladders, wire brushes and such. We will start at 8:00 a.m. David Howard

Range Lock Change

The combination will be changed AFTER all the new membership cards have been sent out. DO NOT call about your check. The Membership Chairman collects a batch of checks (a batch runs to a couple of hundred or more), then, at his convenience, he passes these on to the Treasurer. At his convenience, the Treasurer then deposits the checks. If anything goes wrong with the USPS or the B&G, we will work it out.

M1 Garand / '03 Match

The spring M1 Garand /'03 match will be fired on the 2nd of May this year. Garands will fire on the 200 yard line, 50 rounds, '03's / '03A3's will fire on the 100 yard line, 40 rounds..(this may be fired on the 200 also), if time permits, and the Bonus match, 10 rounds will be determined later. Sign up starts at 0700, first round at 0830, earlier if we have a full relay. A complete match program will be e-mailed out soon. Mac
