Work Party

The Range will be closed for a Work Party on April 4th. If you are able to help out, the following tools will be useful: shovel, garden rake, weed eater, hammer and electric drill/screwdrivers. David Howard

Range Lock Change

The combination will be changed AFTER all the new membership cards have been sent out. DO NOT call about your check. The Membership Chairman collects a batch of checks (a batch runs to a couple of hundred or more), then, at his convenience, he passes these on to the Treasurer. At his convenience, the Treasurer then deposits the checks. If anything goes wrong with the USPS or the B&G, we will work it out.

Web-Site Chairman

Robert Koehn (robert.koehn@att.net) has taken over the job of Web-Site Chairman. Laura Perry has done this job well for several years. Her work is greatly appreciated.

Indoor Pistol

Norm Robinson is going ahead with the indoor Pistol shoots at the Last Resort range. The shoot is built around "Bullseye" shooting. HOWEVER, no one is excluded. The emphasis is on shooting for fun. Contact Norm on broncoala@knology.net for more information.
